ABOUT TRUMANSBURG

The Trumansburg area offers a unique opportunity for visitors to enjoy a variety of cultural activities while becoming immersed in the natural beauty and landscape of the Finger Lakes. Located in the township of Ulysses, the Village of Trumansburg has a small town, upbeat atmosphere that welcomes locals and visitors alike, a unique blend of historical and contemporary architecture, and a diversity of shops and services. The Village provides an assortment of restaurants, a weekly Farmers Market featuring local produce and crafts, and a vibrant nightlife with plenty of live music, all within walking distance of each other on the newly renovated Main Street.

ABOUT ULYSSES

Ulysses is a country town just minutes away from the City of Ithaca, Cornell University, and Ithaca College. The area is well known for its spectacular beauty and peaceful surroundings and is famous for its long narrow lakes and the waterfalls and streams that feed them. One of the most popular attractions of Ulysses is Taughannock Falls located in Taughannock Falls State Park. The falls is the tallest in northeast America, plummeting from a height of 215 ft. This is a beautiful place to live with good schools, friendly people and a strong economy or a great place to spend your summer vacation, with plenty outdoor activities for everyone to enjoy.

This free family event is made possible by the Tompkins County Tourism Program
